MAL898	▶	<b>500W</b> Power	<b>50/60Hz</b> Rate Frequency	<b>0-2800/min</b> Speed	<b>13mm</b> Diameter of the drill
--------	---	----------------------	----------------------------------	----------------------------	--------------------------------------

MAL911	▶	<b>500W</b> Power	<b>50/60Hz</b> Rate Frequency	<b>10000/min</b> Speed	<b>115mm</b> Diameter of the disc
--------	---	----------------------	----------------------------------	---------------------------	--------------------------------------

MAL246	▶	<b>1500W</b> Power	<b>1,8m</b> Cable length	<b>2</b> Power programs	<b>PROTECTION SYSTEM</b> Overheating system
		<b>375°C</b> 280L/min Mode 1	<b>495°C</b> 480L/min Mode 2		

MAL904	▶	<b>350W</b> Power	<b>50/60Hz</b> Rate Frequency	<b>3300/min</b> No-Load Speed	<b>WOOD 5mm</b> Max. Cutting thickness	<b>METAL 5mm</b> Max. Cutting thickness	<b>∅ 56/30 mm</b> Max. Cutting thickness
--------	---	----------------------	----------------------------------	----------------------------------	---	--	---

MAL253	▶	<b>135W</b> Power	<b>50/60Hz</b> Rate Frequency	<b>12000/min</b> Speed
--------	---	----------------------	----------------------------------	---------------------------

MAL208	▶	<b>350W</b> Power	<b>50/60Hz</b> Rate Frequency	<b>0-350rpm</b> 0-1400rpm Speed/m	<b>10mm</b> Max. Drill	<b>10,8-12 V-1,3Ah LI-ION</b> Battery	<b>METAL 10mm</b> Max. Drilling	<b>ALUMINUM 12mm</b> Max. Drilling	<b>WOOD 21mm</b> Max. Drilling
--------	---	----------------------	----------------------------------	---	---------------------------	--	------------------------------------	---------------------------------------	-----------------------------------

MAL114	▶	<b>300W</b> 2.5A Input Power	<b>50/60Hz</b> Rate Frequency	<b>90mm</b> Diameter of wheel	<b>10000-22000/m</b> No-Load speed	<b>3,50</b> Oscillation angle
--------	---	------------------------------------	----------------------------------	----------------------------------	---------------------------------------	----------------------------------
